CBU OPS (DCP) Program

Recommended courses to meet General Education requirements

Below is a listing of all the General Education (GE) requirements and recommended courses that can meet these requirements. This list does not include all the CBU courses that will meet G.E., nor does it take into account areas that may be met by your major. If you have a major that includes any of these requirements, you do not need to take additional classes to meet the GE requirement. For questions on General Education requirements, please contact OPS Advising at OPSadvising@calbaptist.edu .

To view Degree Guide and your outstanding requirements: log in to InsideCBU > click on the Academics tab > Student Academics on the left menu panel > Degree Guide link on page.
