On Wednesday, 02-15-23, at about 8:35am, an unidentified male suspect staged a white compact SUV at a location off campus near Briarwood Drive (east of Adams Street). He entered campus via the Adams entrance on an electric scooter. He rode his scooter to the School of Business west exterior stairwell. He parked his scooter inside the stairwell and stole a scooter which was parked there. He then rode stolen scooter #1 to The Point and staged it adjacent to Adams. He walked back to the School of Business and retrieved his scooter. He rode his scooter to the south side of the School of Engineering. He parked his scooter and rode stolen scooter #2 to the Point to stage it. He walked back to the School of Engineering and retrieved his scooter and rode back to The Point. He then left stolen scooters #1 and #2 outside the Adams exit gate to the point and rode his scooter eastbound across Adams. Moments later, he returned in an unidentified white compact SUV and retrieved the two stolen scooters. If you see, or can identify this subject, please contact Safety Services at 951-343-4311.
