Safety Services Alert: Campus Trespassing Incident

On Monday, March 27, 2023, at about 8:00 p.m., the Safety Services dispatcher observed a suspicious male subject follow a student inside the Magnolia Crossing Apartments' main entrance. Safety Services officers were dispatched and contacted the subject in the 1st floor-lobby restroom, and he was escorted off the property.

A review of surveillance video after that incident showed that prior to officer arrival the subject entered the elevator which was occupied by a female resident. He remained in the elevator with the female until it reached the 4th floor, which is designated for females only. The subject exited the elevator and tried to open the locked doorway to the female only hallway. The access control system prevented him from gaining entry. He then went down the stairs to the 1st floor lobby where Safety Services officers contacted him.

Safety Services is working with the Riverside Police Department to investigate this incident. Our investigation has revealed that this subject has also recently been observed in the areas of the Film Lab and the College Park Apartments. If this subject is seen anywhere on campus, please immediately call Safety Services 24-hour dispatch at 951-343-4311.
