

Athlete & Music Students Early Registration Information

Dear Athlete and Music Students,

We have provided you with an early registration opportunity to assist you in selecting a course schedule that will enable you to fulfill your commitment to California Baptist University's Intercollegiate Athletic program (specifically practice and game schedules) or Music program (specifically rehearsal and performance schedules). Registration for the remaining student population will open shortly after your registration time, so we strongly encourage you to take advantage of this early registration opportunity.

Additional Music Information

As a Music degree, major, minor, or scholarship recipient, in addition to your rehearsal and performance schedules, your commitment also requires enrollment in specific coursework. We have provided some general information regarding Music student enrollment requirements to assist you in meeting this commitment. However, please keep in mind that specific concentrations or certain scholarships may require enrollment in more than the minimum requirements listed. For advice on your specific music course requirement, please seek advisement from the School of Music.
