

Entrance Counseling

Entrance Counseling is required for any new student to CBU, who is taking out Direct Subsidized Loans or Unsubsidized Loans. Entrance Counseling is an interactive session that will teach you the following:

- What a Direct Loan is and how the loan process works
- Managing your education expenses
- Other financial resources to consider to help pay for your education
- Your rights and responsibilities as a borrower

Graduate Students: If you are a graduate student, you will need to complete a new Entrance Counseling and be sure to indicate the correct 'Student Type' – *I am completing entrance counseling to receive Direct Loans as a graduate (beyond bachelor's degree) or professional student*
