

Academic Information – Office of the Registrar

The Office of the Registrar maintains CBU students' official academic records, assists students with transcripts, degree and enrollment verifications, veterans benefits and other requests related to student enrollment.

The Registrar also assists students with official evaluations of previous college work, reviews requests for concurrent enrollment and transfer work, reviews academic variances, processes all applications for graduation and posts final degrees.

Please visit the following link to discover more information about Academic Life here at CBU.
