

VOTER REGISTRATION POLICY

How Disclosed: Voter registration forms made widely available and provided to each enrolled student
HEOA Sec. 493(a)(1) amended HEA Sec. 487(a)(23) (20 U.S.C. 1094(a)(23)): added HEA Sec. 487(a)(23)(D)
HEOA amendment effective August 14, 2008

Each institution must:

- Make a good faith effort to distribute a mail voter registration form (for federal elections and state elections for governor or other State chief executive) to each student enrolled in a degree or certificate program and physically in attendance at the institution
- Make the voter registration form widely available to students at the institution
- Request the forms from the state 120 days prior to the deadline for registering to vote within the state

This requirement does not apply to institutions in states that do not have a voter registration requirement or that allow voters to register at the time of voting.

The HEOA (Sec. 493(a)(1)) added the provision that an institution will be considered to be in compliance with the distribution requirement if the institution electronically distributes the voter registration form or an Internet address where such a form can be downloaded. The information must be in an electronic message devoted exclusively to voter registration.

As stated in the [California Baptist University Student Handbook](#), California Baptist University participates in the National Campus Voter Registration project. As a participant, the University encourages members of the campus community to register and vote. The California Baptist University Associated Student Government coordinates this effort.

In addition to coordinating on-campus voter registration drives with the Riverside County Registrar of Voters, California Baptist University encourages members of the campus community to visit the California Secretary of State Voter Registration page and register to vote online.
