- **KIN594** Comprehensive Exam\* (4)  
OR **KIN598** – Thesis\*\* (3)

\* KIN585 is offered every semester. Ideally, it should be taken on its own in a fourth semester of enrollment. This course may also be taken in an alternative fashion. Alternatives include taking KIN585 in the second semester. These alternatives *must* be approved by the Program Director.

\*\* Please see your Program Director regarding the Thesis option.

\*\*\* Please see your Program Director to discuss whether or not finishing in 3 semesters is possible.
