**Students in the Doctor of Psychology in Clinical Psychology Program begin their coursework in the Fall semester. Following the above sequence guarantees the student will fulfill prerequisite requirements and maintain student's eligibility for financial aid, except during Year 5. Students are encouraged to reach out to the Financial Aid Office for loan alternatives in Year 5. Any deviation from the suggested sequence may result in unmet prerequisites and/or student's inability to enroll in the minimum number of units required to qualify for financial aid.**
