Have you qualified for a Chapel Waiver in the past? Yes No

Students who have received a passing grade in the CBU Chapel program for eight semesters may apply for a waiver from Chapel requirements.

Other exemptions may be available for students who may not fit the profile of the traditional student (age, life experience, family obligations, etc.).

By submitting this request I am allowing the Spiritual Life Office to access and a print an unofficial copy of my CBU transcript.

I understand that the information held within the unofficial copy of my CBU transcript determines my eligibility to be waived from Chapel requirements for the Fall 2019 semester.
