

Recommended General Education Courses for 2023-2024

Below is a list of General Education (GE) requirement areas and courses that are recommended to meet each area. This list does not include all CBU courses that can meet GE areas, nor does it take into account areas that may be met by your major or minor. If you have a major or minor that includes any of these requirements, you do not need to take additional classes to meet the GE requirement.
For questions on General Education requirements, please contact your Student Success Coach (cbu@cbu.edu/maac).
